Changing Role of BIDs in London

Think Tank
Tuesday 24 March, Morning

Since the first London BID was established in 2004, their influence has expanded rapidly to over 41 BID areas across the capital. GLA recognises BIDs for their contribution to strengthening local centres and 'place shaping' in areas of fragmented ownership. This roundtable, in advance of the NLA London BID Summit in the summer, will examine the successes and challenges of the BID model for London, and discuss how their role and fundraising powers might develop over the next decade.
